To the sweetest wife in the world. (Mined)

Well sweetheart, here is that
husband of yours again. Every
afternoon I have, I have to
write my honey. Dearest I'm so
in love with you. You're just
the sweetest wife in the world dear.
So that makes me the happiest &
most luckiest guy in the world too.
Boy honey, when I get home again,
you are in for alot of good loving.

It's just 11 more days till Xmas
here. And by the time you get
this letter it will be after the New
Year has come in. Mama, I hope
you had a good Xmas even though
I wasn't there. But honey no matter
when in at our Xmas I'll be thinking of
my wife & our past Xmas together.

our last Xmas was the best don't
you think honey? We were together &
happy then. Honey, we are so very
much in love with each other, &
so terribly happy when we are to-
gether. That's why nothing can ever
harm me. You just wait dear one
of six not some for next Xmas. Jerry
can't last much longer now. And be-
lieve me dear Jerry will never be
able to fight again.

You know honey, now that Vin
is here, I see things a lot differently.
I think that Vin does too now. Honey,
I wish that I could be there with
you right now, but honey as sure as
I'm here to see that our son don't
have to fight the grime 20 years
from now. So honey, I'm sticking

it out now. But when it's all over
here I'll be home again to take up
where we left off Oct. 20, 1944. Honey,
will start building our home all
over again & start raising our offspring.
Mama will be the happiest family
in the world. Oh honey, I'm so very
much in love with you. Mama, I
can't wait till that day comes when
I step off that boat & get a hold
of my little mama again & honey
you will never get out of my sight
Honey you should have got my boxes
that I sent you from Livet & those trinkets
from Belgium.

Well honey, I must close now. So dearest
goodbye & dearest remember that I love you
with all my heart. I'm thinking of you always
Tell P. & hello to pet Mitzel
Loads of kisses honey
Your loving husband forever
Jim. never
