Luzembourg?

To my darling wife; I love you.

Hello again dearest, here I am again. I got w holdg my bag today & I found some paper, so I'll write you an air-mail. Last nite honey, I got another stack of mail. Your mail was from the 22nd & 28th of Dec. And your V-mail was included. So dear we can't tell just yet how V-mail comes to me till you get my real address.

We are getting a cut today. And honey when I stop to think just what you seen & gone thro. I really think your prayer were answered. But honey, thats all I'll tell you.

Honey, I'm so in love with you. And dear I miss you so very much. If we could only be together again right away. We would

be so damn happy ² wouldnt me. In honey
we've been so happy together. Just me and
my little honey together & so in love with
each other. Just think honey it will almost be
3 years now that we've been married, and
we have been so very happy together, and when
I get back home after this war will be happier
than ever before, do you think it could be possible
honey?

Dear, I'll have to tell you about our new shoes.
They are these rubber hunting boots like. And we
mean 2 big thick pair of socks. And boy honey they
really keep my feet warm. I picked up a cold
a couple of days ago, but now I'm throwing it off.
And I don't feel too bad about it, ^{once} though. ~~These~~
Again I have my C.P. in a room with a nice stone.
It's been a long time since I had one of that kind of
C.P.'s

I imagine that everyone back there in the states are
thinking the same way we are about Russia we
try to get the latest news possible. It can't last

much longer now. That great day is
drawing near.

So Virginia had her baby. Well honey well
have one in about '46, & I'll be there holding your
hand when p. comes. And then I'll take you both
home to our suburban home. Honey well be so very
happy then. Honey, I'm glad you got up to see Day
honey. That's all right honey about A. Hazel not
being able to get a hold of you. Honey, I only met
Day about twice in my life. So dear you go
up along with Pop & see him as much as possible.

Today honey, the C.D. sent up for all my
credentials and everything. And later on I can
down to the W.C.P. shooting the breeze I said that
if they ever have a call for a 2nd Lt. going back to
the states put me on the list. So he said like hell,
you won't be a 2nd Lt. long now. So dear I'm hoping.
The war will probably be over by that time I guess.
I have been doing good work here in the Co. And I had
a important job one note that led to me coming

in this area. But dear ⁴ I'll tell you all about
that when I get back.

I have been wanting to read Pop have a Jerry
helmet. But we have been pretty busy w/ of
late & I haven't had a chance. But one of
these days I'll do it. We can hang it
over his bed. I got all I want. My
Combat Infantry Badge & a Jerry P-38 pistol.
All I'm looking for now is that white piece
of paper.

Well sweetheart I'm sure I'll run out of
news, so I'll close for now. So darling
goodbye for now & honey remember that I
love you with all my heart & I'm always
thinking of you. Don't worry too much honey
just keep on praying & go to Eagle soon. Tell
Pop hello & let Mitzi for me. I'll be seeing
you soon darling. Lots & lots of hugs & kisses
honey
I love you honey.
your ever loving husband
Jim
